Labelling/ Name Taping Guidelines

- **ALL** uniform must be clearly named with sewn-on name tapes and towel loops firmly attached for hanging on pegs.
- Please refer to the information below for name and hanging tape information.
- Please note **ALL** laundry is tumble-dried so labels on garments **MUST** be sewn.
- A selection of suitable name tapes is displayed at www.wovenlabelsuk.com/school-labels/
- All tops (uniform, games kit, outdoor pursuits and home clothes) should have the name tape sewn inside the back of the neck, directly onto the garment and not on the garment label.
- All bottoms (uniform, games kit, kilts, outdoor pursuits and home clothes) should have the name tape sewn inside the waistband, in the middle at the back, directly onto the garment and not on the garment label.
- Shoe labels should be fitted inside the heel.
- Socks should be labelled at the top on the outside of the sock so that the nametape is not visible when the sock turnover is folded over.
- All bedding and towels should be labelled at the bottom in the right-hand corner
- Swimming costumes for girls should have the label inside the back of the neck, directly onto the garment and not on the label.
- Swimming goggles should have a nametape sewn to make a loop around the goggle strap
- Water bottles should be named using a permanent marker.
- Back packs and boot bags will have your child's initials on, but you can also add a name tape, sewn to make a loop around the top handle of the bag.

A charge will be added to your account for any unnamed items.
