

ARDVRECK SCHOOL

Little Ardvreck HEAD of NURSERY

With Expertise and a Passion for Outdoor Learning From 1st March 2022 (or sooner)

An exciting opportunity has become available at Ardvreck School, a popular, busy and well-respected co-educational IAPS independent prep school just outside Crieff, Perthshire. We are seeking an energetic individual to lead our Nursery in recently refurbished premises within our school's stunning and extensive grounds.

The successful candidate will be an experienced and passionate practitioner, keen to maintain and develop the very best in the education and childcare of up to 30 children aged between 3 and 5. You will have the opportunity to lead a team of six talented practitioners in the very best Outdoorsie Nursery in the land - which feeds into our well-established and popular, adventure prep school.

As the Head of Nursery, you will be required to become involved in every aspect of the all year round Nursery, ensuring all health, safety and safeguarding standards are met and you must be familiar with the demands and regulations imposed by the Care Inspectorate. The Nursery is a partner provider with Perth and Kinross Council and administration experience in this area is desirable. You will also need to ensure that all members of the Nursery staff are trained to a high standard, organising training days as and when required. You will liaise closely with the Headmistress and the school's admissions team and play a vital role in the recruitment of children into the Nursery and in the transition to Ardvreck's Primary 1.

This is a full-time, permanent post, with a competitive rate of pay.

The closing date for applications is 16th January, although we reserve the right to interview at any time.

For further details of the school, please visit our website www.ardvreckschool.co.uk. Please email Mrs G Murchie, School Secretary, for an application pack:
